

A Christian Response to Historic 2017 Hurricane Harvey Your Help Needed!

More than 350 of the families Upbring serves have been impacted by Hurricane Harvey, and many more are at risk as subsequent flooding and lingering storms unfold. Your prayers for safety, comfort and courage are needed immediately.

Your financial support will also make a difference! Upbring is working with churches, community partners and individuals to help families keep standing when everything seems to be falling apart around them. Through our life-giving programs and services, we have deep roots in many of the most vulnerable communities devastated by Harvey. We will help these families recover and rebuild their lives. Your support will help with:

- **Short-term Assistance**—Helping families find nourishing food, clothing, medical assistance and safe, clean shelter.
- **Long-term Response and Recovery Assistance**— A coordinated response to help families who lost their homes and possessions.
- **Ongoing Spiritual/Emotional Care**—Counseling and spiritual care services to individuals seeking prayerful comfort and emotional support over the short and long term.
- **Partnership with Community Churches**—Provision of emergency relief and support to individuals seeking assistance.

Visit Upbring.org/give today or give through your congregation with a check made out to Upbring Disaster Response. Your gift provides much-needed assistance now and ensures we will be there in the months ahead as these families fight to rebuild their lives.

Thank you for being a blessing!
