Why USAS Construction Camp?

Upbring School of Arts and Sciences (USAS) – Central Austin invites your child to join us for a safe, enriching summer of learning and fun.

Nuts and bolts

Ages We welcome any child between 12 months and 5 years old.
(Older children may participate in the area YMCA program on our campus. Spaces are limited.)

Hours 8 a.m. – 3:30 p.m., Monday – Friday
with extended hours from 6:30 a.m. - 6:30 p.m.

Tuition Weekly fees for children in the age ranges noted below include camp shirt, construction and weekly theme activities. Some scholarships are available.

12-17 months = \$270 36-47 months = \$230
18-35 months = \$260 5-6 years = \$180

*These fees include extended care.

Food We will serve two snacks per day, along with breakfast to campers who arrive between 6:30 and 7:45 a.m. All campers must bring a sack lunch. USAS is a nut-free campus, and we can accommodate special dietary needs.

REGISTER TODAY

For registration and questions about USAS construction camp, call **512-472-3313** or email CentralAustinUSAS@upbring.org.

5 reasons to spend the summer with USAS

- 1. Your child's safety is our priority**
USAS' highly secure campus is the setting for this year's summer camp. We carefully screen camp staff, conducting extensive background and fingerprint checks. And all staff, including our licensed USAS teachers, are trained to work with children.
- 2. Our STEAM approach makes learning fun**
Our teachers know that STEM is more fun with STEAM! Your child will make music one week and robots the next. By incorporating the arts into our activities, we make science, technology, engineering and math more approachable for children.
- 3. Faith forms the foundation**
Your child will learn about Jesus and His love for them through stories, games and playful adventures. Nothing gives our servant-hearted team more joy than watching positive relationships grow. By modeling the art of good citizenship, we see that children in our program become far more generous, forgiving, thankful and loving than ever before.
- 4. We're inclusive**
Each child has unique gifts and interests. From art exploration to science discovery to Bible adventures, our diverse activity schedule will spark your child's imagination and creativity.
- 5. We're centrally located**
USAS is located at 3407 Red River Street, just off IH-35 near the University of Texas, making it easy for busy parents to reach.

Construction Camp

The Blueprint

Week 1, June 4, Buildings, Bridges, and Blocks

Campers learn how bridges and buildings are built, and then recreate them.

Week 2, June 11, Music Makers

Campers learn about musicians and instruments, and they create their own musical compositions. Materials include traditional and futuristic instruments, recording devices and music from many cultures.

Week 3, June 18, Textile Creations

Campers explore fabrics and textures, and they create mixed media projects.

Week 4, July 9, Rube Goldberg and Simple Machines

After learning about complex and simple machines, students will design their own task-based machine.

Week 5, July 16, Woodworking Wonders

Campers learn simple woodworking skills and safety practices, and they construct their own wood piece to take home.

Week 6, July 23, Robotics Design

Campers explore the history of robotics and interact with robotics kits in small groups.

Week 7, July 30, Chef's Challenge

After learning different cooking skills, campers will participate in a cooking challenge (similar to "Iron Chef America Kids' Edition").

Week 8, August 6, Carnival Construction Zone

A celebration week that includes a carnival, face painting, a roller coaster, animals, tent building, games, snacks and costumes.

Weekly Activities

Each week, students will learn science safety skills and experience hands-on science, STEM-based experiments, dramatic play, art projects, and music and movement!

Camp Includes

Snacks, culinary arts, outdoor games and Bible adventures.
