

Additional benefits to being part of the Upbring School Family

LOW RATIOS: At Upbring, we maintain classroom teacher to student ratios that are superior to those required by State of Texas standards.

COMBINED FEES: At Upbring Schools, we absorb many fees into our rates and look for ways to simplify the enrollment process. Here are some ways you are saving each month:

- ✓ ParentTV subscription fee (\$10/month) – incorporated into tuition rates
- ✓ FACTS yearly fee (\$50) – incorporated into tuition rates
- ✓ Multi-Child discount (10% off oldest child)

ANNUAL REGISTRATION FEE BENEFITS:

- ✓ Shop Less: Our annual \$300 fee covers all fees for the year including supply fees, classroom project expenses and much more. Upbring Schools do not send you to join the madness of Back-to-School shopping events.
- ✓ Lower annual registration fees: First year with Upbring School = \$300; Returning year = \$200

GROUP DISCOUNTS: Whenever we can, we like to find area businesses that wish to partner with Upbring Schools. For example, at our Central Austin Campus, Yoshi Restaurant and Pouch Points help families save money on area businesses, just for being part of our school.

ENROLLMENT INCENTIVES: Periodically we have family incentives for bringing new families to Upbring Schools. Check in with your Admissions Office to see when the next Enrollment Incentive will happen.

VACATION VOUCHERS: Upon completion of a full 12-month year of full-time enrollment/tuition, families qualify for a 5-day Vacation Voucher. When you plan a vacation that will remove your child from school for 5 consecutive days, you can apply for a credit to your FACTS tuition account. Actual amounts vary by campus. Vacation dates need to be requested 6 weeks in advance via an online form sent to the Director of Admissions and Family Engagement. Students may not be on campus during the approved voucher dates.

FAMILY ENGAGEMENT: At Upbring Schools we are changemakers determined to create a world where all children are cherished. In alignment with Upbring's mission to create strong communities of families, we offer periodic **Family Engagement** events, tools, news and experiences that strengthen families and connect you to resources that enhance family life. We invest in children spiritually, educationally, socially, emotionally, and have been helping children thrive for more than 135 years.

- ✓ We are WARRIORS: working tirelessly to help families thrive with strategic approaches to education.
- ✓ We are SERVANTS: generous with those in need, working together to keep Texas families strong.
- ✓ We are FAMILY: together we are stronger and can love bigger.

SATISFACTION GUARANTEE: We can't promise that your commute will be favorable, or that it won't rain on Tuesday, but we can absolutely guarantee that you will love Upbring Schools. If, for any reason, you don't we will happily refund your first month's tuition. Simply notify us in writing within your first 30 days. We promise that your experience with Upbring School will help you grow in your relationship with Jesus Christ, as a family and with each other.
