Why USAS Campology?

Upbring School of Arts and Sciences (USAS) – Central Austin invites your child to join us for a safe, enriching summer of learning and fun.

More info

Ages	4-8 years old Although our 12 month school serves children between the ages of 6 weeks to 5 years, our summer only option is open for children 4-8 years of age only.
Hours	8 a.m. – 5:30 p.m., Monday – Friday Children needing extended hours need permission of the Admissions Director.
Tuition	Weekly tuition rates for new students are \$200/week. Siblings of currently enrolled children, or children who are returning for their second summer at our camp pay \$180/week.
Food	We serve two snacks per day. All campers must provide their own nut-free lunch either from home or ordered from our on-campus caterer (\$4/day paid directly to the caterer). Please note that USAS is a nut-free campus.

REGISTER TODAY

For registration and questions about USAS Campology, call **512-472-3313** or email CentralAustinUSAS@upbring.org.

5 reasons to spend the summer with USAS

- 1. Your child’s safety is our priority**
USAS’ highly secure campus is the setting for this year’s summer camp. We carefully screen camp staff, conducting extensive background and fingerprint checks. And all staff, including our licensed USAS teachers, are trained to work with children.
- 2. Our STEAM approach makes learning fun**
Our teachers know that STEM is more fun with STEAM! Your child will make music one week and robots the next. By incorporating the arts into our activities, we make science, technology, engineering and math more approachable for children.
- 3. Faith forms the foundation**
Your child will learn about Jesus and His love for them through stories, games and playful adventures. Nothing gives our servant-hearted team more joy than watching positive relationships grow. By modeling the art of good citizenship, we see that children in our program become far more generous, forgiving, thankful and loving than ever before.
- 4. We’re inclusive**
Each child has unique gifts and interests. From art exploration to science discovery to Bible adventures, our diverse activity schedule will spark your child’s imagination and creativity.
- 5. We’re centrally located**
USAS is located at 3407 Red River Street, just off IH-35 near the University of Texas, making it easy for busy parents to reach.

Park and enter through the blue doors on the Luther lane side of campus.
