Benefiting: Neighborhood House | Foster In Texas | Health for Friends Clinic

Casually cool and sophisticated, this event features:

- Engaging auctions
- Signature cocktails
- Dinner and program
- Live music and dancing
- After-party for the young and young at heart

Upbring Neighborhood House serves the emergency needs of more than 7,000 families each year, including single mothers, the elderly and the disabled who live on fixed incomes (at poverty level or below), as well as the homeless, marginally homeless and persons who are in a temporary financial crisis.

Upbring Foster In Texas is working to create a brighter future for thousands of children across Texas. Our foster families open their hearts and homes because they believe that all children deserve to have a safe, loving childhood.

Upbring Health for Friends Clinic in Lubbock provides quality health care at no cost to those who qualify. Nurses provide screenings and consultations, referrals, and supplies for diabetes patients. They also offer nutrition, weight control and cholesterol management guidance and education to help patients stay healthier, longer. When our community is healthy and cared for, we all win.
